<i>Gear</i> Traveler's Clothes are resilient garments designed for travel in various environments.				<i>Melee Weapon · Gear · Finesse · Light · Thrown (Range 20/60) · Proficient · Melee · Dagger · Simple</i> Finesse. When making an attack with a Finesse weapon, use your choice of your Strength or Dexterity modifier for the attack and damage rolls. You must use the same modifier for both rolls. Light. When you take the Attack action on your turn and attack with a Light weapon, you can make one extra attack as a Bonus Action later on the same turn. That extra attack must be made with a different Light weapon, and you don't add your ability modifier to the extra attack's damage unless that modifier is negative. For example, you can attack with a Shortsword in one hand and a Dagger in the other using the Attack action and a Bonus Action, but you don't add your Strength or Dexterity modifier to the damage roll of the Bonus Action unless that modifier is negative. Thrown. If a weapon has the Thrown property, you can throw the weapon to make a ranged attack, and you can draw that weapon as part of the attack. If the weapon is a Melee weapon, use the same ability modifier for the attack and damage rolls that you use for a melee attack with that weapon. The target must succeed on a Dexterity saving throw (DC 8 plus your Dexterity modifier and Proficiency Bonus) or have the Restrained condition until it escapes. The target succeeds automatically if it is Huge or larger. To escape, the target or a creature within 5 feet of it must take an action to make a DC 10 Strength (Athletics) check, freeing the Restrained creature on a success. Destroying the Net (AC 10; 5 HP; Immunity to Bludgeoning, Poison, and Psychic damage) also frees the target, ending the effect.

BACKSTORY, PERSONALITY & FEATURES

BACKSTORY & PERSONALITY

WAYFARER

You grew up on the streets surrounded by similarly ill-fated castoffs, a few of them friends and a few of them rivals. You slept where you could and did odd jobs for food. At times, when the hunger became unbearable, you resorted to theft. Still, you never lost your pride and never abandoned hope. Fate is not yet finished with you.

CLASS FEATURES

Eldritch Invocation - Eldritch Mind (Warlock)

You have Advantage on Constitution saving throws that you make to maintain Concentration.

Eldritch Invocations (Warlock)

You have unearthed Eldritch Invocations, pieces of forbidden knowledge that imbue you with an abiding magical ability or other lessons. You gain one invocation of your choice, such as Pact of the Tome. Invocations are described in the 'Eldritch Invocation Options' section later in this class's description.

Prerequisites. If an invocation has a prerequisite, you must meet it to learn that invocation. For example, if an invocation requires you to be a level 5+ Warlock, you can select the invocation once you reach Warlock level 5.

Replacing and Gaining Invocations. Whenever you gain a Warlock level, you can replace one of your invocations with another one for which you qualify. You can't replace an invocation if it's a prerequisite for another invocation that you have.

When you gain certain Warlock levels, you gain more invocations of your choice, as shown in the Invocations column of the Warlock Features table.

You can't pick the same invocation more than once unless its description says otherwise.

Pact Magic (Warlock)

Through occult ceremony, you have formed a pact with a mysterious entity to gain magical powers. The entity is a voice in the shadows-its identity unclear-but its boon to you is concrete: the ability to cast spells. The information below details how you use those rules with Warlock spells, which appear in the Warlock spell list later in the class's description.

Cantrips. You know two Warlock cantrips of your choice. Eldritch Blast and Prestidigitation are recommended. Whenever you gain a Warlock level, you can replace one of your cantrips from this feature with another Warlock cantrip of your choice.

When you reach Warlock levels 4 and 10, you learn another Warlock cantrip of your choice, as shown in the Cantrips column of the Warlock Features table.

Spell Slots. The Warlock Features table shows how many spell slots you have to cast your Warlock spells of levels 1-5. The table also shows the level of those slots, all of which are the same level. You regain all expended Pact Magic spell slots when you finish a Short or Long Rest.

For example, when you're a level 5 Warlock, you have two level 3 spell slots. To cast the level 1 spell Witch Bolt, you must spend one of those slots, and you cast it as a level 3 spell.

Prepared Spells of Level 1+. You prepare the list of level 1+ spells that are available for you to cast with this feature. To start, choose two level 1 Warlock spells. Charm Person and Hex are recommended.

The number of spells on your list increases as you gain Warlock levels, as shown in the Prepared Spells column of the Warlock Features table. Whenever that number increases, choose additional Warlock spells until the number of spells on your list matches the number in the table. The chosen spells must be of a level no higher than what's shown in the table's Slot Level column for your level. When you reach level 6, for example, you learn a new Warlock spell, which can be of levels 1-3.

If another Warlock feature gives you spells that you always have prepared, those spells don't count against the number of spells you can prepare with this feature, but those spells otherwise count as Warlock spells for you.

Changing Your Prepared Spells. Whenever you gain a Warlock level, you can replace one spell on your list with another Warlock spell of an eligible level.

Spellcasting Ability. Charisma is the spellcasting ability for your Warlock spells.

Spellcasting Focus. You can use an Arcane Focus as a Spellcasting Focus for your Warlock spells.

Eldritch Invocation - Agonizing Blast (Warlock)

Prerequisite: Level 2+ Warlock, a Warlock Cantrip That Deals Damage

Choose one of your known Warlock cantrips that deals damage. You can add your Charisma modifier to that spell's damage rolls.

Repeatable. You can gain this invocation more than once. Each time you do so, choose a different eligible cantrip.

Eldritch Invocation - Fiendish Vigor (Warlock)

Prerequisite: Level 2+ Warlock

You can cast False Life on yourself without expending a spell slot. When you cast the spell with this feature, you don't roll the die for the Temporary Hit Points; you automatically get the highest number on the die.

Magical Cunning (Warlock)

You can perform an esoteric rite for 1 minute. At the end of it, you regain expended Pact Magic spell slots but no more than a number equal to half your maximum (round up). Once you use this feature, you can't do so again until you finish a Long Rest.

Magical Cunning

SPECIES TRAITS

You can see in dim light within 120 feet of you as if it were bright light and in darkness as if it were dim light. You discern colors in that darkness only as shades of gray.

5 by 5 ft

Gift of the Svirfneblin (Deep Gnome)

Starting at 3rd level, you can cast the disguise self spell with this trait. Starting at 5th level, you can also cast the nondetection spell with it, without requiring a material component. Once you cast either of these spells with this trait, you can't cast that spell with it again until you finish a long rest. You can also cast these spells using spell slots you have of the appropriate level.

Intelligence, Wisdom, or Charisma is your spellcasting ability for these spells when you cast them with this trait (choose when you select this race).

Gnomish Magic Resistance (Deep Gnome)
